GLC Administrative Staff Enjoy October Happy Hour

On Friday, October 3, GLC administrative contract staff joined colleagues from KCK for a fall happy hour at Punch Bowl Social in Ballston. Everyone enjoyed the chance to relax with delicious food and drinks and to participate in a raffle for fun prizes.

The happy hour also provided GLC with the opportunity to recognize Teaching Assistants (TAs) **Anna Buxton**, **Thania Djekinnou**, and **Charlotte Stid** for their hard work, dedication, and professionalism, which are an essential part of what makes the NFATC a great place to work and learn. Day after day, these TAs support course facilitators, guide students, and help ensure that classes run smoothly—often going above and beyond without fanfare. Their efforts make a real difference, not just in the classroom, but in the overall success of programs. Their patience, creativity, and enthusiasm are much appreciated!
