"ACTFL was a wonderful experience. I met some of the most interesting people in my field from all over the United States and the world. I had the chance to meet the Cultural Attachés from the embassies of France and Austria and connect with people from AATF (the American Association of Teachers of French). I also attended some of the most compelling conferences on the use of non-binary pronouns in the French classroom. These three days felt like a real treat and I really thank GLC for giving me the opportunity to go to this amazing convention."
